AD PRODUCTION

Production services are available. Artwork provided must be original photographs, illustrations or electronic files at 300 dpi. Please have logos, photos, copy and any other materials needed to produce your ad **one week before** the advertising deadline to allow for design time and approval.

WARNING: Low-resolution images do not print well.

Many images, particularly 72 dpi JPEGs taken off the Internet, look blurry when printed. For best results, we recommend that your images be at least 300 dpi.
